## Matching Gifts Are Twice As Nice

Many Leprechaun friends double their gifts to the Leprechauns by sending the necessary matching gift paperwork along when they send in their check. We send the finished paperwork to your company and then receive an amount equal to your gift, which makes each donation twice as nice! If we are not on your company's matching gift program list, let us know and we will contact the appropriate person and send the required information and paperwork. Or, the following information about the Foundation may be all that they need. Show them this newsletter and it may answer any questions they have.

Thanks for keeping the children on your gift list.

## Don't Forget The Toy Boxes!

The Leprechauns' Toy Chest Program, provides toys for boxes placed in area hospitals. When children have to undergo painful stressful procedures, they are allowed to choose a toy from the chest. Of course, these chests have to be continuously refilled. We can always use donations of new, packaged, inexpensive toys such as dolls, puzzles, coloring books, crayons, books, match box cars, hot wheels, jewelry, stuffed animals, etc.
