

August 12, 2015

Dear Friends:

We would like to take this opportunity to sincerely thank you and your organization for your extraordinary support on August 7th. On behalf of UH Rainbow Babies & Children's Hospital's Sickle Cell Anemia Center, we want to express our heartfelt gratitude for your participation in our Annual Sickle Cell Community Day.

We have an opportunity to make a real difference and will continue to do so with your help. Your partnership is extremely significant. Without your ongoing support and the assistance of countless others, we would not be able to provide the very best care and research in the field. Our ongoing joint effort not only benefits the region, but brings more awareness to this very noble cause. The impact of your presence is immeasurable and your kindness and generosity do not go unnoticed. As always, we look forward to working with you in the future!

Please do not hesitate to contact our Center at any time and, again, thank you on behalf of our team as well as our patients and their families for your support and friendship.

Sincerely Yours,

A handwritten signature in black ink that reads 'Connie Piccone, MD'.

Connie Piccone, MD
Clinical Director, Sickle Cell Anemia Center
Assistant Professor, Dept of Pediatrics
UH Rainbow Babies & Children's Hospital
Division of Hematology/Oncology
